Dear President Berliner:

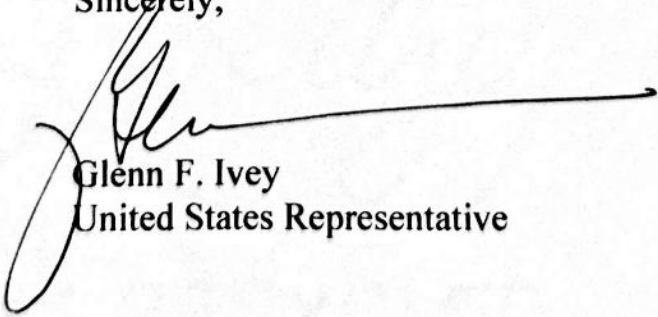

Thank you for a curated tour of Berliner Frozen Food Storage. I enjoyed learning more about your business and how it serves the Mid-Atlantic region.

I was highly impressed by Berliner's history, and I appreciated seeing the scale and care behind your operations. The legacy you are building and your commitment to supporting the food production ecosystem in Prince George's County speaks to a strong business leadership, but also to the importance of infrastructure partners like Berliner in keeping regional food supply chains running efficiently.

Experiences like this mean a great deal to me because it serves as both a reminder and an invitation to bridge policy and economic development conversations to the real work happening on the ground and in our communities. I am excited to keep learning more about the continued growth of Berliner and the work you are leading in this sector and in our region.

Thank you again for the tour. Please do not hesitate to contact my office if I can be of any assistance to you.

Sincerely,

Glenn F. Ivey
